Summer outreach!!

God's Team at work. Harvester Baptist Church, Columbia, MD

This year is a challenge on the life of David the King, a man after God's own heart. We will be building a team of 50+ volunteers to reach up to 150 young people in the area. What is the first basic need? A strong prayer support team!

It is always a joy for me to do team building workshops especially when the leadership steps up to challenge to the volunteer workers in service ministry. (Dr. Ed Simpson is a perfect example)

We love working with volunteers to are eager to find ways to reach the children for Christ and help them grow in His image and share the real hope that is in Christ.

Please Continue to Pray for God to use this Ministry until He returns.

Thank you so much

Thinking about a FALL workshop??

What is involved with an in-church seminar?

This question comes up frequently so here are basic steps:

Host church responsibility:

1. Select a date (most common Saturday AM) that will work with church calendar.
2. Select TKM workshops that fit best.
3. Signup participants and ask church leadership to provide challenge at Seminar.
4. Provide space, snacks and copies of notes.

Toolkit will provide:

1. Materials for reproduction
2. Presenter, powerpoint equipment and visuals, helper during workshop Seminar.
3. Event Agenda to co-ordinate with church leadership before and after teaching time.
